## *Classic chic*

Is the second born daughter of our managers in the Netherlands and we have named this simple and elegant series after her.

Produced in a factory with more than 200 years of experience, managed in the fourth generation. In 2015 we visited the factory and decided to let the production, the tradition, the working conditions and the raw materials produce our own wishes and designs. Here too, we provide edge protection and a 10-year availability guarantee.

## ROYAL PORCELAIN

### *Classic white*

Is Thailand's Royal Porcelain Manufactory, founded in 1983 and today one of Asia's leading porcelain manufacturers using state-of-the-art German, Japanese and English machinery.

We have been carrying this product for 22 years and have not had a single complaint to date. High edge strength and a high firing temperature guarantee the quality requirements of every gastronomy. We give you a edge protection of 5 years on every single product and a post-purchase guarantee of 10 years.

The white is very similar to many other manufacturers' products and can therefore be easily integrated into other manufacturers' inventories.

The depth and breadth of the range cover all wishes and possible combinations. In the event of dissatisfaction, we will take back any unused product without complaint and without discussion.

Since 1818, the Italian brand Broggi has boasted an important role in the Italian and international cutlery and tableware market.

Broggi was born about 200 years ago as a workshop in Milan and its development and growth have never stopped since.

This brand retains both its prestige and its classic past, without losing its taste for and attention to modern and contemporary trends.

Broggi's classic collections are well known in the international tradition of hotels and restaurants, but this brand also produces cutlery with a modern style in line with the latest design trends.
