FILIPPA

Classic chic

Is the second born daughter of our managers in the Netherlands and we have named this simple and elegant series after her.

Produced in a factory with more than 200 years of experience, managed in the fourth generation. In 2015 we visited the factory and decided to let the production, the tradition, the working conditions and the raw materials produce our own wishes and designs. Here too, we provide edge protection and a 10-year availability guarantee.

NAGARE

Elegant design

Tabletop – APS Porcelain

Our new Nagare tableware combines elegant design with artistic expression. Inspired by organic shapes and natural structures, the surface captivates with its multicoloured glaze and fascinating play of light and shadow.

The appearance is reminiscent of the grain of stone or the gentle play of water waves. Each piece is a unique handcrafted item – differences in colour and structure are what make Nagare so special.

Deviations from the colours shown are not a defect, but an expression of the lively design. The result is tableware that brings individuality to the table and tells its own story with every use.

DYNASTY

Green & Gold

It was created in cooperation with "Tortue" in Hamburg and their restaurant "Jin Gui". "Tortue" is French and means turtle. Based on the color of the turtle shell and the Asian style of the restaurant, this deep dark green porcelain was designed and decorated with a dishwasher-safe golden rim. The high quality allows us to provide you with edge protection for 5 years and a 10 years availability guarantee. In the event of dissatisfaction, we will take back any unused product without complaint and without discussion.

Since 1818, the Italian brand Broggi has boasted an important role in the Italian and international cutlery and tableware market.

Broggi was born about 200 years ago as a workshop in Milan and its development and growth have never stopped since.

This brand retains both its prestige and its classic past, without losing its taste for and attention to modern and contemporary trends.

Broggi's classic collections are well known in the international tradition of hotels and restaurants, but this brand also produces cutlery with a modern style in line with the latest design trends.
